

WINCHESTER'S ECO FESTIVAL 2008

OCTOBER 25 9:30 AM TO 3:00 PM

EXHIBITOR REGISTRATION INFORMATION

The primary aim of Winchester's Eco Festival is to educate our community members about the conservation of our natural resources and about innovative alternative-energy technologies and waste reduction practices.

Through our children's activities, dynamic exhibits, workshops and stimulating speakers, the Winchester Eco Festival will foster public awareness about opportunities for environmental change. It is hoped that the event will inspire community members to make their homes, businesses and town more ecologically advanced and environmentally sound, while also encouraging activism and volunteerism.

The Winchester Eco Festival will be an opportunity for the community to recognize and support your commitment to a healthier environment and a more sustainable society.

We invite you to join us as an exhibitor to:
